Subject : Letter of appreciation

Dear Ms. Viva and the Goodlife team,

This letter is to recognize our association with Good life technologies since 2012. We had bought our first machine in the year 2012 and are using the machine to date without any issues. In this duration we received excellent support from your team attending to any snags, whenever they occurred. This made us re-purchase another set of machinery in the year 2019, and we continue to receive excellent after sales service to date.

Appreciate the efforts made by your team and wish you all the best.

Best Regards,

A handwritten signature in blue ink that reads 'M. Mamoola'.
